

*Comprehensive Procurement Services*  
for the **Gaming Industry**

## ***The Avendra Advantage For Gaming***

**Avendra manages a \$2 billion supply chain of goods and services covering nearly everything a gaming operation needs.**

Additionally, we offer a full suite of value-added services to help you maximize your procurement operations. Avendra programs and services can benefit both large and mid-sized casino operations.

### **The Avendra advantage:**

**Unparalleled access to suppliers.** Our purchasing programs include contracts with over 900 suppliers, offering brand name products at substantial savings on everything a casino uses.

**In-depth expertise.** Thousands of customers rely on Avendra. Avendra services over 4,000 customer locations in North America providing innovative procurement solutions that positively impact gaming related operations like yours.

**Flexible solutions.** With a wide range of purchasing program offerings, as well as related tools and services, we can tailor a procurement solution to your specific needs.

## Avendra Gives You the Optimal Purchasing Solution.

**Avendra will help you with nearly all of your procurement operations—from food & beverage, to room operations, to golf.** We give you access to a \$2 billion supply chain, as well as innovative support systems, to ensure you get the products and services that your business needs.

**Procurement is our business.** Our contracting team consists of subject matter experts who will help you maximize distributor and sourcing networks so you get the best products and services for the lowest prices. We have stringent quality assurance guidelines built into our purchasing programs to ensure all purchases meet the correct standards. And you can rely on our customer support teams to help you maximize your partnership with Avendra.
