

***Comprehensive Procurement Services***  
*for the **Golf Industry***

## *The Avendra Advantage for Golf*

**Avendra manages a \$2 billion supply chain of goods and services covering everything a golf property needs.** Additionally, we offer a full suite of value-added services to help you maximize your procurement operations. Avendra programs and services can benefit both the budget-minded operator of public courses as well as the quality-conscious manager of a luxury golf resort.

### **The Avendra advantage:**

- **Unparalleled access to suppliers** – Our purchasing programs include contracts with over 900 suppliers, offering brand name products at substantial savings on everything a golf resort or club uses.
- **In-depth expertise** – Avendra services over 4,000 customer locations in North America, including over 300 golf courses.
- **Flexible solutions** – With a wide range of purchasing program offerings, as well as related tools and services, we can tailor a procurement solution to your specific needs.

## Your purchasing power is magnified and put to work.

**Avendra will help you with all your procurement operations—from mowers to pro shop purchases to food and beverage needs.** We give you access to a \$2 billion supply chain, as well as innovative support systems, to ensure you get the products and services that your golf properties need.

**Procurement is our business.** Our contracting team consists of subject matter experts who will help you maximize distributor and sourcing networks so you get the best products and services for the lowest prices. We have stringent quality assurance guidelines built into our purchasing programs to guarantee all purchases meet the highest standards. And you can rely on our customer support teams to help you maximize your partnership with Avendra.
