

Free Windshear Air Mover with Purchase of 9 Gallon Compact Extractor

Quality Equipment Backed By Decades of Experience

Tornado delivers a broad range of world-class commercial cleaning equipment, designed to tackle any facility cleaning job, while keeping your bottom line in mind.

Self-Contained Compact Extractor

The Tornado self-contained 9 gallon carpet extractor provides superior cleaning power with a 1,300 RPM floating brush head that maximizes agitation and leaves carpets cleaner than traditional self-contained carpet extractors. Its slim profile allows operators to maneuver in tight spaces and an optional upholstery/wand tool is available for cleaning upholstery and hard to reach areas.
