

MBQ Heated Banquet Cabinets

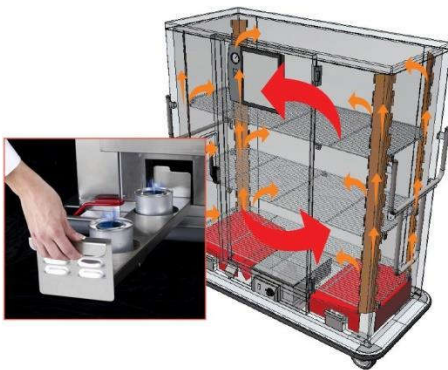

Rugged construction and unique features that put you in control of time, temperature, and taste.

ORDER ANY METRO MBQ CABINET AND

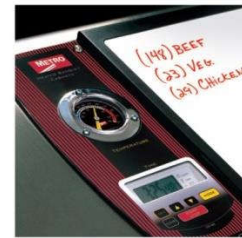

SAVE \$500*

*On Each Cabinet Purchased

Unique Canned Fuel System

Available Quad-Heat™ dual fuel system combines the standard heating module with a canned fuel back up system, utilizing corner chimneys to evenly distribute heat and eliminate “hot spots” commonly caused by ordinary canned fuel systems.

Intelligent, Ergonomic Features

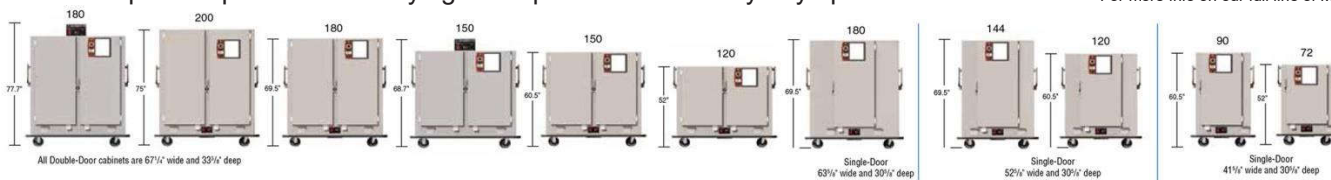

Unique features like white board information panel, ergonomic handles, removable module, and hands-free kick latch provide the tools you need for improved service, efficiency and maneuverability.
